Grey: Fifty Shades of Grey As Told by Christian, also referred to as Grey, is a 2015 erotic romance by British author, E. L. James. It is the fourth installment in the Fifty Shades series, which had its start as fanfiction for the popular vampire fiction series Twilight. The books were originally written from the female character's point of view; whereas Grey is written from the male character's point of view and is a retelling of the events of the first installment.

The novel was released on 18 June 2015 to coincide with the birth date of the character Christian Grey. The work's first printing run consisted of 1.25 million copies

SUMMARY
Christian Grey, a successful and rich 27-year-old businessman, meets 21-year-old university student Anastasia "Ana" Steele when she interviews him on behalf of her friend/roommate Katherine "Kate" Kavanagh (being sick with the flu at the time) for the university newspaper. The characters develop
